

**Amendment to the Specification**

Please change the title of this application pursuant to the Examiner's suggestion, to:

FLUIDIZED BED SPRAY GRANULATION PROCESS FOR PRODUCING  
ANHYDROUS ALKALI SULFIDE

Please replace paragraph 0004, with the following new paragraph:

0004 Furthermore, the convective spray drying of anhydrous alkali sulfides using hot, anhydrous inert gases, is known from WO 01/25146.
